President Carter. Let them know that you oppose the Equal Rights Amendment, and give two or three reasons why you oppose it.

Inform them that the IWY Committee or the State IWY Conferences do not speak for you and that you oppose the U.S. Congress appropriating five million

dollars of the American citizen's tax dollars to support these radical feminists in their highly unreasonable demands.

If we do not speak, our silence on ERA and IWY issues will be the same as our vote for it. As Christian men and women, it is important that we act at once.

Pray daily that God will give us guidance and wisdom to do all we can to preserve our nation, our homes, our families, and our churches.

"Righteousness exalteth a nation: but sin is a reproach to any people" (Proverbs 14:34).

—Mrs. J. Frank Culpepper
